Larimer County Proposal #P13-08, Inmate Extraditions & Transport Services

SHUT DOWN

Two proposals were received for P13-08, Inmate Extraditions & Transport Services, however one was deemed “unresponsive” and not scored by the Evaluation Committee, as the firm indicated they had been in the business of transporting prisoners for one (1) year, which did not meet the minimum requirement of three (3) years in the business of transporting prisoners.

The evaluation committee scored the one remaining proposal and asked clarifying questions of the vendor. Ultimately, the evaluation committee selected this vendor for award.

Upon further review, the evaluation committee determined that the vendor was not as responsible as they require, and did not enter into a contract for the provision of inmate extraditions and transport services, pursuant to the last paragraph on page one (1) of the Request for Proposal, which states: “*Larimer County reserves the right to reject any and or all proposals, to further negotiate with successful proposer and to waive informalities and minor irregularities in proposals received, and to accept any portion of the proposal if deemed to be in the best interest of Larimer County to do so.*”

This Request for Proposal has been **SHUT DOWN with no award**. The Larimer County Sheriff’s Office is working to make changes to the specifications and the Larimer County Purchasing Department will re-solicit for these services in 2015.
