Transmitted for your review and recommendation, are the proposals received to consider contracting for construction services for the Larimer County Facilities Department. Please fill in this form and return it to me via interoffice mail or fax.

The following criteria must be used to evaluate the proposals:

<u>Criteria</u>	<u>Standard</u>	<u>Weighting Factor</u>
Cost	Is the cost for project within budget and advantageous to Larimer County? Schedule of values broken out by trade and are reasonable and complete.	50%
Project Schedule	Does the Contractors proposed schedule meet the County's goals? Detailed by major trade with manageable and achievable timeframes.	25%
Contractor and Personnel Experience	Does the contractor's proposal list similar projects they have completed? Does the contractor's proposal describe their experience to complete projects on-time and within budget? Does the contractor's superintendent and project manager have the experience to complete this project on-time and within budget?	25%

This document will be considered a public record and open to inspection. The individual committee score sheets, comment sheets and other evaluation notes are DELIBERATIVE PROCESS records and not public records. Please keep these documents in your files.

Explain why you want to award the work to a particular vendor and the dollar amount of the award: The evaluation committee unanimously chose to award to Delehoey Construction, Inc. which was both the highest-scored and lowest cost of all proposals received
